Egg Drop Challenge

Goal

Using what you have learned about car crashes, design a structure that will protect an egg from a 1-story drop. You have the following materials to use:

- Paper
- Masking tape
- Ziplock sandwich bag
- String
- 1 raw egg

Draw your design here:

Grading Scheme

Uncracked Egg	A
Cracked (but not Leaking)	B
Cracked and Leaking	C
Did not follow directions	D
Did not participate	F
